

A2IM Supporters Program

Join A2IM's Supporters Program. There are many individuals and organizations in our extended Independent family that aren't ready to join as a Label or Associate Member. For them, the A2IM Supporters program offers introductory access to our community and a unique opportunity to grow!

About A2IM

A2IM (American Association of Independent Music) is a 501(c)(6) not-for-profit trade organization that is supported by members' dues. A2IM currently represents a broad coalition of more than 380 Independently-owned U.S. labels and 171 service companies of all sizes, genres, and business models. A2IM works to improve and grow the businesses of its members and the entire Independent music community through our lobbying efforts, by offering commerce opportunities, networking events, member education, discounts to industry events and services, and by messaging special offers to our members. A2IM is uniquely positioned to serve as a central voice reaching a diverse community of influential Independent music labels on behalf of our Associate Members.
